

## **WHO WE ARE**

Portage Physical Therapists, Inc. is a private practice therapy group which was begun in 1973 by Mr. Paul Ferrara of Kent, Ohio. Starting as a single person practice, Portage P.T. has grown to include 175 staff members consisting of Therapists, assistants, ATC's, clerical specialists, business management and consultants. The entire staff is dedicated to complete rehabilitation success of the people we serve.

Our mission is to provide professional therapy services to all patients and contracts served by Portage P.T.; to be of service to the community by providing alternative mechanisms for the prevention and treatment of injury and disease.

The service base of Portage P.T. includes:

- Contracting therapy services to existing facilities and programs.
- Ownership and operation of strategically placed out patient therapy centers.
- Home based therapy services
- Athletic training services for schools and sporting events.

Through these avenues we are able to serve *every* age group in the community in a variety of settings.
